

# AS 400 IK HD

A wet/dry vacuum cleaner with a good capacity and a great power, equipped with a new metal trolley (4 pivoting wheels, Ø 100 mm) to ensure the maximum transportability on every kind of surface, a stainless steel tank and an antistatic kit. The standard accessories have been developed exclusively for the user: a crevice tool made of a special rubber, which doesn't leave marks (developed to avoid any damage caused by an impact or by stepping on it), a rubber curved tool with a brush and a 4 meters long flexible hose (to easily reach any area without the need to move the vacuum cleaner) and a washable nonwoven fabric filter. Ideal for automotive and carwash sector.

Nonwoven fabric filter

Special rubber curved tool with brush

Cable hook

Cage bag support with floater

Special rubber crevice tool + 4 m hose

New metal trolley

Antistatic device
